

Portishead welcomes the much-anticipated opening of Jacks 2

As anyone living in Portishead will know, decent bars and restaurants are thin on the ground, particularly in the vicinity of the new Marina development. The forthcoming opening of Jacks Bar & Brasserie on Monday 11th August will therefore come as welcome news to the hungry and thirsty of Portishead.

Offering a contemporary and relaxed drinking and dining experience, the new restaurant is set in a stunning location on the ground floor of the Spinnaker building on the waters' edge opposite Waitrose and a short stroll from the High Street.

Jacks in Portishead shares many characteristics with the first Jacks on Bristol Harbourside including a contemporary airy interior, floor to ceiling windows and ample outside seating offering fabulous views of the Marina.

The new menu has a focus on fresh local produce and with inspiration taken from the surroundings; it results in some mouth-watering choices. Favourites include the Fresh Devon Crab Cakes with Fennel Salad and Sweet Chilli Sauce, Chargrilled Somerset Organic Beef Burger with Flat Mushrooms and Mozzarella served with Chunky Homemade Chips, and Seared Fresh Yellow Fin Tuna served on a traditional Niçoise Salad. All of the desserts are made on the premises too, including the ice creams and sorbets, making a pudding irresistible!

Jacks Portishead will be open every day from 8am for brunch, coffees & pastries in the morning with an all day menu available late into the evening. And if you're looking for a venue to host an event, Jacks is also available for private hire.

Call 01275 397304 to book a table or visit the website www.jacksbrasserie.co.uk for more information.
